LIFE THOUGHTS – The father's compassionate embrace of his dirty, manure-smelling, rebellious son portrays Christ's compassion for all sinners (Luke 15:20). Those crushed by an abortion in their past will identify well with "manure smelling." We need to proclaim to them and be for them Christ's compassionate embrace. Prayer: Father, use us as Your arms to embrace repentant sinners. Amen.

Life Thoughts are based on the appointed readings from Lutheran Service Book.

LIFE QUOTES – "While human history is in flux and certain seasons have yet to be fulfilled (e.g., Divine Judgment), in the life of the Church there is no season or hour in which Christ is not worshiped as Lord. The eternal penetrates the temporal. 'Pray without ceasing' (1 Thessalonians 5:17)." *James M. Kushiner, The Fellowship of St. James – A Life Quote from Lutherans For Life* .

STEWARDSHIP – **Luke 15:12** "And the younger of them said to his father, 'Father, give me the share of property that is coming to me.' And he divided his property between them." This prodigal son only sees the father as a source of wealth: give me my inheritance now! Which is to say: you are better off dead in my eyes. This is the sin at the heart of all greed: valuing things over people. This parable calls us to "come to our senses" as well: to see God as the loving Giver of all good, the true Father to be valued above and beyond all the things of this world.

Stewardship Bulletin Sentences are provided by LCMS Stewardship Ministry.

ALTAR FLOWERS DURING LENT

Flowers are removed from the Sanctuary during the season of Lent, a season of penitence, reflection and prayers. Worship during this time is solemn and restrained. The somber colors of purple and black replace the brighter white and green of the Epiphany Season. Songs of praise like the "Gloria in Excelsis" ("Glory in the Highest") and expressions of joy such as "Alleluia" are removed from the liturgy until Easter.

DAYLIGHT SAVING TIME

Daylight Saving Time begins on Sunday, March 13 at 2 a.m. Remember to set your clocks ahead one hour before bed on Saturday night, and it's a good time to check the batteries in your smoke alarms.
